

Summary Measures and Graphs

Category of Change: Level of Monthly Benefits

Proposed Provision: Give credit to parents with a child under 6 for earnings for up to five years. The earnings credited for a childcare year equal one half of the SSA average wage index (about \$21,505 in 2011). The credits are available for all past years to newly eligible retired-worker and disabled-worker beneficiaries starting in 2013. The 5 years are chosen to yield the largest increase in AIME.
